MANDATORY SURCHARGES:

- 4 Wheel/All-Wheel Drive Coverage:** If Your Vehicle is equipped with 4 Wheel/All-Wheel Drive, the following components are covered: 4 Wheel Drive Actuator and Locking Hubs.
- Diesel:** If You have a diesel Vehicle, an additional mandatory surcharge is applied.
- 1 Ton Vehicle:** If You have a vehicle with a one-ton gross vehicle weight capability, (GVW) an additional mandatory surcharge is applied.
- Towing Package:** If Your Vehicle is equipped with a Manufacturer Installed Fifth Wheel or Gooseneck Hitch Tow package modification and Manufacturers towing specification are followed, an additional mandatory surcharge is applied. No coverage is provided for components that were utilized to facilitate the vehicle's modification, including but not limited to the Hitch and its components. Proof of installation will be required.
- Turbocharger/Supercharger** (factory installed only): all internal components contained within the Turbocharger/Supercharger Housing, Turbo Boost Valve, Turbo Waste Gate Actuator, Bearing, Bushing, and all other internal components, and Seals and Gaskets, Supply Line.
- Lift Kit:** If Your Vehicle is equipped with a Lift Kit modification, an additional mandatory surcharge is applied. No coverage is provided for components that were utilized to facilitate the vehicle's modification, including but not limited to the Lift Kit and its components. Oversize wheels and tires are included within the guidelines of Lift Kit Coverage. The modification to the height and width of wheels and tires is limited to a maximum of 6 inches, inclusive of any modifications to the wheels or tires, or both. Vehicles with Lift Kits that exceed 6 inches are not eligible for coverage and will be excluded from coverage. The 6 inch modification is measured from the manufacturer's vehicle specifications (as listed in nationally published repair manuals); inclusive of any and all modifications of the vehicle's body and suspension. The vehicle must be equipped with the lift kit modification at the time of vehicle purchase to be eligible for coverage, and if the installation date of the Lift Kit cannot be verified, the Administrator may deny any claim. No coverage is available for suspension reductions or undersized wheels or tires. Any damage resulting from suspension reductions or undersized wheels or tires is excluded from coverage. Coverage is supplemental to the manufacturer's coverage and will not apply to any failure for which the manufacturer has denied coverage due to the installation of the Lift Kit.
- Rideshare Coverage:** A ridesharing vehicle is defined as any vehicle, not commercially registered, used for the purpose of transportation of others regardless of whether You receive any compensation for that use.
- Commercial Use Coverage:** Commercial Use is defined as any vehicle being used in accordance with the definition provided in this Service Contract.
Note: Any vehicle which has any of the following features is not eligible for Commercial Use Coverage: Diesel, Turbo/Supercharger.
- Hybrid Vehicle:** Electric Motor, Power Controller, Inverter Assembly, Generator, Drive Motor Temperature Sensor/Switch, Battery Cooling Fan Relay/Module, Damper, Electric Water pump, Electric Air Conditioning Compressor and Battery Cooling Fan, Water Assembly Valve. A mandatory surcharge is applied if Your Vehicle is a hybrid model.

The Best Coverage for Overall Protection

The following component groups are covered in addition to the Standard plan.

*Only those components specifically listed in the contract are covered, and coverage for components in multiple component groups only applies for the component groups in which the part is specifically listed in the contract. Vehicle images do not reflect exact covered components. See contract for coverage details.

*Leaking or seepage of seals and gaskets is considered wear and tear and is not covered under this Service Contract.
